

Mixed Media Class

\$80.00 includes all your supplies.

There are as many ways to make a Mixed Media painting as there are artists that attempt it. I think it's safe to say that there are no wrong ways to do it and in my class I will show you as many ideas, techniques, and products as I can in the time we have together.

My studio is extremely well stocked; you will be able to use acrylic and watercolour paints, canvas, brushes, papers, stamps, stencils, ink, pencils, wax crayons, pastels, gelli prints, markers, old book pages, feathers, brads, stickers, sparkles, beads, string, buttons, washi tape, and ribbons in this class. You are free to dig through all my supply bins and use whatever feels right to you and your art.

You don't have to bring anything except an open mind and willingness to get your hands dirty.

I will cover a few of the fundamentals of art, or the "rules", but remember that once you learn these rules you are free to break them whenever it suits you.

You will work on 2 products, one canvas and one paper, during this class. That way you can try as many products and techniques as you like. Knowledge of painting is not necessary.

This class will take at least 6 hours and can be split over 2 evenings.
